P. K. KAPRE,
Dy. Secretary,
Union Public Service Commission.

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Report relating to the Food Production Drive for the Fortnight ended 31st July 1951.

Weather Conditions.—Rainfall during the fortnight has been scanty and this has caused anxiety as the standing crops in *some areas* are reported to be withering. The transplantation of paddy is delayed due to want of rains in some areas. Adequate rainfall is badly required for the standing crops.

Works Schemes.—During the fortnight ended 15th July 1951, 23 irrigation wells were completed and a subsidy of Rs. 1,650 was disbursed. All the major irrigation works are being executed expeditiously. An outlay of Rs. 63,094 was incurred on these works during the above period. The restoration of major and minor tanks works is proceeding accordingly to programme and one work benefiting an area of 57 acres was completed in Shimoga Division during the fortnight ended 15th July 1951. One hundred and thirteen tanks are being desilted and 8 more works have been sanctioned in Shimoga District. One electrical pumping set and two Diesel Oil Engine pumping sets were distributed to raiyats under the hire purchase system.

Power line to the lift irrigation work at Gollarahalli is being drawn by the Electrical Department. Five works of canalisation of valleys and six works of reclamation of marsby lands are in progress in Mandya Division. The following quantities of seeds and manures were distributed:—

Paddy	1,428—43	pallas
Ragi	8—20	,,
Jola	9—54	,,
Ammonium Sulphate ...	112—00	tons
Super Phosphate	86—40	,,
Groundnut oil cake	124—00	,,

Four hundred and fifty-five new compost pits were dug and as many as 7,095 pits (old) were brought to service. 554 acres of new Government lands were granted for cultivation. 32,690 acres of current fallow lands have been brought under cultivation in Tumkur District. Takavi loan amounting to Rs. 12,300, land improvement loan of Rs. 3,425 and manure loan of Rs. 250 have been sanctioned to raiyats during the period. The standing crops of jola in parts of Mysore District are affected by earhead bugs and these have caused considerable loss. Preventive action is being taken. 91 gun licenses were sanctioned for protecting the food crops and cattle against wild animals. 842 acres 21 guntas of land have been ploughed by means of tractors in the several districts. 92 tons of iron and steel were received during the fortnight and sent to the several Multi-purpose Co-operative Societies for distribution to the raiyats. 97 feet of G.I. pipes and 74 lengths of the same were also distributed for the use of 38 irrigation pumps. 2,225 bags of cement was utilised on the several Grow More Food Irrigation Works during the fortnight.

The Commissioner for Food Production toured in Mandya and Mysore Districts and inspected the Grow More Food Works in progress. He also attended the Extension service meeting held at Coimbatore during the fortnight. The Hon'ble Sri K. M. Munshi, Minister for Food and Agriculture, Government of India, visited Bangalore and awarded the All-India shield to the Village Panchayet of Settymadamangala in Kolar District which planted the largest number of trees during this year. Sardar Datar Singh, Additional Secretary, Ministry of Food and Agriculture, paid a visit to Bangalore on 31st July 1951 and reviewed the progress made under the Grow More Food Drive. He discussed the details of the State's Grow More More Food plans for 1951-52.
